Introducing the Antas Italian Vachetta Leather Collection! The newest addition to our sustainable vegetable tanned leather belt collection. The Vachetta leather is soft and has a distinct sweet woodsy aroma inherent of all vegetable tanned leather. Each belt will naturally patina and change color over time due to exposure to sun, moisture and personal use.

Vachetta leather is easily embossed for unique custom events and club branding.

Club logo stamped on belt tips are for illustrations of stamped leather only and are not an endorsement of the respective club.

Club must provide high resolution black and white PDF of logo to be used 6 weeks prior to event date.

Single belt orders for the pro shop can be embossed on all Vachetta Leather with the one time investment of a metal die for \$150, then each vachetta leather belt can be embossed **FREE** for all of 2020!

*Featuring handmade in the USA leather belts and accessories by Artisan Craftsman Roger Jimenez*
