

THE
MEN'S COLLECTION

WELCOME

Since 1907, the hallmark of Alan Paine products has been quality and craftsmanship in luxury fibres. Throughout our illustrious history we have clothed sportsmen and women, an eminent explorer, a pope and knitted sweaters for royalty.

Our many years of experience have enabled us to create handcrafted quality clothing from the finest materials. From a comprehensive choice of knitwear in a vast array of classic and seasonal colours to performance polo shirts, the essential mid-layer and stylish yet functional outerwear.

These are the timeless, indispensable layers a wardrobe needs. Perfect for weekend casual wear and leisure activities such as golf or simply a countryside walk, these clothing heroes exemplify versatility.

Quintessentially English styling designed for a way of life.

CASHMERE

We use only the finest first quality fibre from pure-bred Cashmere goats to produce one of the most highly-prized yarns in the world.

Alan Paine sources its Cashmere from Mongolia, where the finest quality can be found. The soft under hair is harvested in the summer months by combing the underbelly of the goat, each yielding just 4 ounces of fibre per year.

Lightweight in comparison to the insulating warmth it offers, Cashmere is an ideal transition layer for unpredictable, changeable weather. Incredibly soft and impressively breathable, Cashmere is relatively low maintenance as it only needs washing occasionally.

Discover our expanded colour offering which includes our new range of striking flecked colours.

NOT TOO HEAVY, NOT TOO LIGHT

GEELONG

Despite the lightness of this beautifully breathable fibre, Geelong Lambswool gives a unique combination of warmth, softness and drape.

Alan Paine's Geelong comes from the Victoria area of South Eastern Australia which, due to climate and diet, is renowned for producing the best Lambswool available. The featherlight cosiness is hard to beat resulting in versatile knitwear guaranteed to perform.

WHAT IS LAMBSWOOL?

ONLY THE FIRST CLIP
FROM A BABY LAMB
CAN BE TERMED
LAMBSWOOL.

LAMB SWOOL

Using only the first clip from the baby lamb in the creation of our world renowned lambswool knitwear, we pay close attention to the micron size or diameter of the fibre to ensure that it is of the best quality and softness – qualities that our customers worldwide have come to expect from Alan Paine Lambswool.

The maximum micron size we use is 19 – a lower micron than many of our competitors. Naturally hypoallergenic, lambswool will constantly regulate the body temperature for day long comfort.

Discover our new argyle front vee neck and slipover. Blending tradition and modernity, both come in four exciting colour combinations.

M E R I N O

Wool from the Merino breed of sheep has long been held in the highest esteem. Merino sheep shed and regrow new ultra-downy coats every year, rendering their wool a highly renewable resource.

Super soft, lightweight and breathable, nature's wonder fibre has strong wicking properties and natural temperature regulation for day-long comfort throughout the seasons.

Matchless for softness and drape, our Merino is also machine washable, so the care of the Merino products is maintained with the minimum of fuss.

MERINO BLENDS

NATURE'S MIRACLE FIBRE

MERINO COTTON

The ultimate trans-seasonal yarn for every day, year-round wear whatever the climate. The new season blend of ethically sourced Merino and Cotton delivers easy-care knitwear which is beautifully soft, warm yet breathable for supreme comfort.

This cutting-edge yarn is spun using a compact spinning system. This gives a superior, regular and smooth quality, which also enhances the performance in wash and wear.

The Australian sourced Merino wool is mercerised for a lustrous, clean appearance.

PIQUÉ AND JERSEY POLO SHIRTS

Our piqué and jersey offering take comfy, casual dressing to the next level, from our perennially popular Peruvian Pima cotton polo shirts to a comfortably cool bamboo stretch tee shirt. Wonderfully soft, this light wicking wonder is beautifully airy and perfect for layering under knitwear or sweats.

Our expanded performance range is crafted from a moisture-wicking stretch fabric, which also offers UV protection and promises less wrinkle. Combining performance with a smart casual aesthetic, they're not just for the sports minded.

EMBROIDERY

Examples of just some of the embroidery produced for our partner golf clubs are shown opposite.

From a simple tonal logo to complex multi-coloured, we have the ability to embroider onto knitwear, piqué and jersey polos.

We make sure that the process from artwork through to embroidery is a smooth one.

We'll discuss your embroidery requirements in detail, generate artwork for approval then send to the embroiderer for stitching.

Each embroidery is individually costed based on the complexity of the design.

Please note that the minimum order for embroidery is 12 pieces.
